

Folding wooden tables

Manufactured to cope with the demanding nature of the event industry, our strong utility tables are designed to withstand commercial use. You'll find flush fixings on the surface of our tables: this bolt-through construction is designed for optimum strength.

- Contract quality construction & design
- 15mm exterior grade one piece plywood top
- 16 gauge steel legs (thicker than standard 18 gauge)
- 6 coats of clear varnish: 4 on the top 2 on the underside
- Rounded whitewood stacking battens
- Bolt through construction for max loading capacity & strength
- Black PVC edging
- Industrial strength leg locking mechanism
- Plastic feet to prevent scratched floors
- No assembly required

Fast delivery
to UK & Ireland
